PROPUESTA DE JUEGO:

1- Imprimir los tableros con las letras en gris claro:

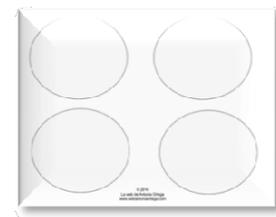

2- Imprimir y recortar las mismas sílabas en Color negro, para pegar en su lugar en la rueda:

3- Una vez tengamos todas las ruedas completas, imprimimos los tazos con imagen y palabra que contienen o comienzan con la sílaba trabada, y los disponemos alrededor de la rueda de su sílaba, formando un gran panel.

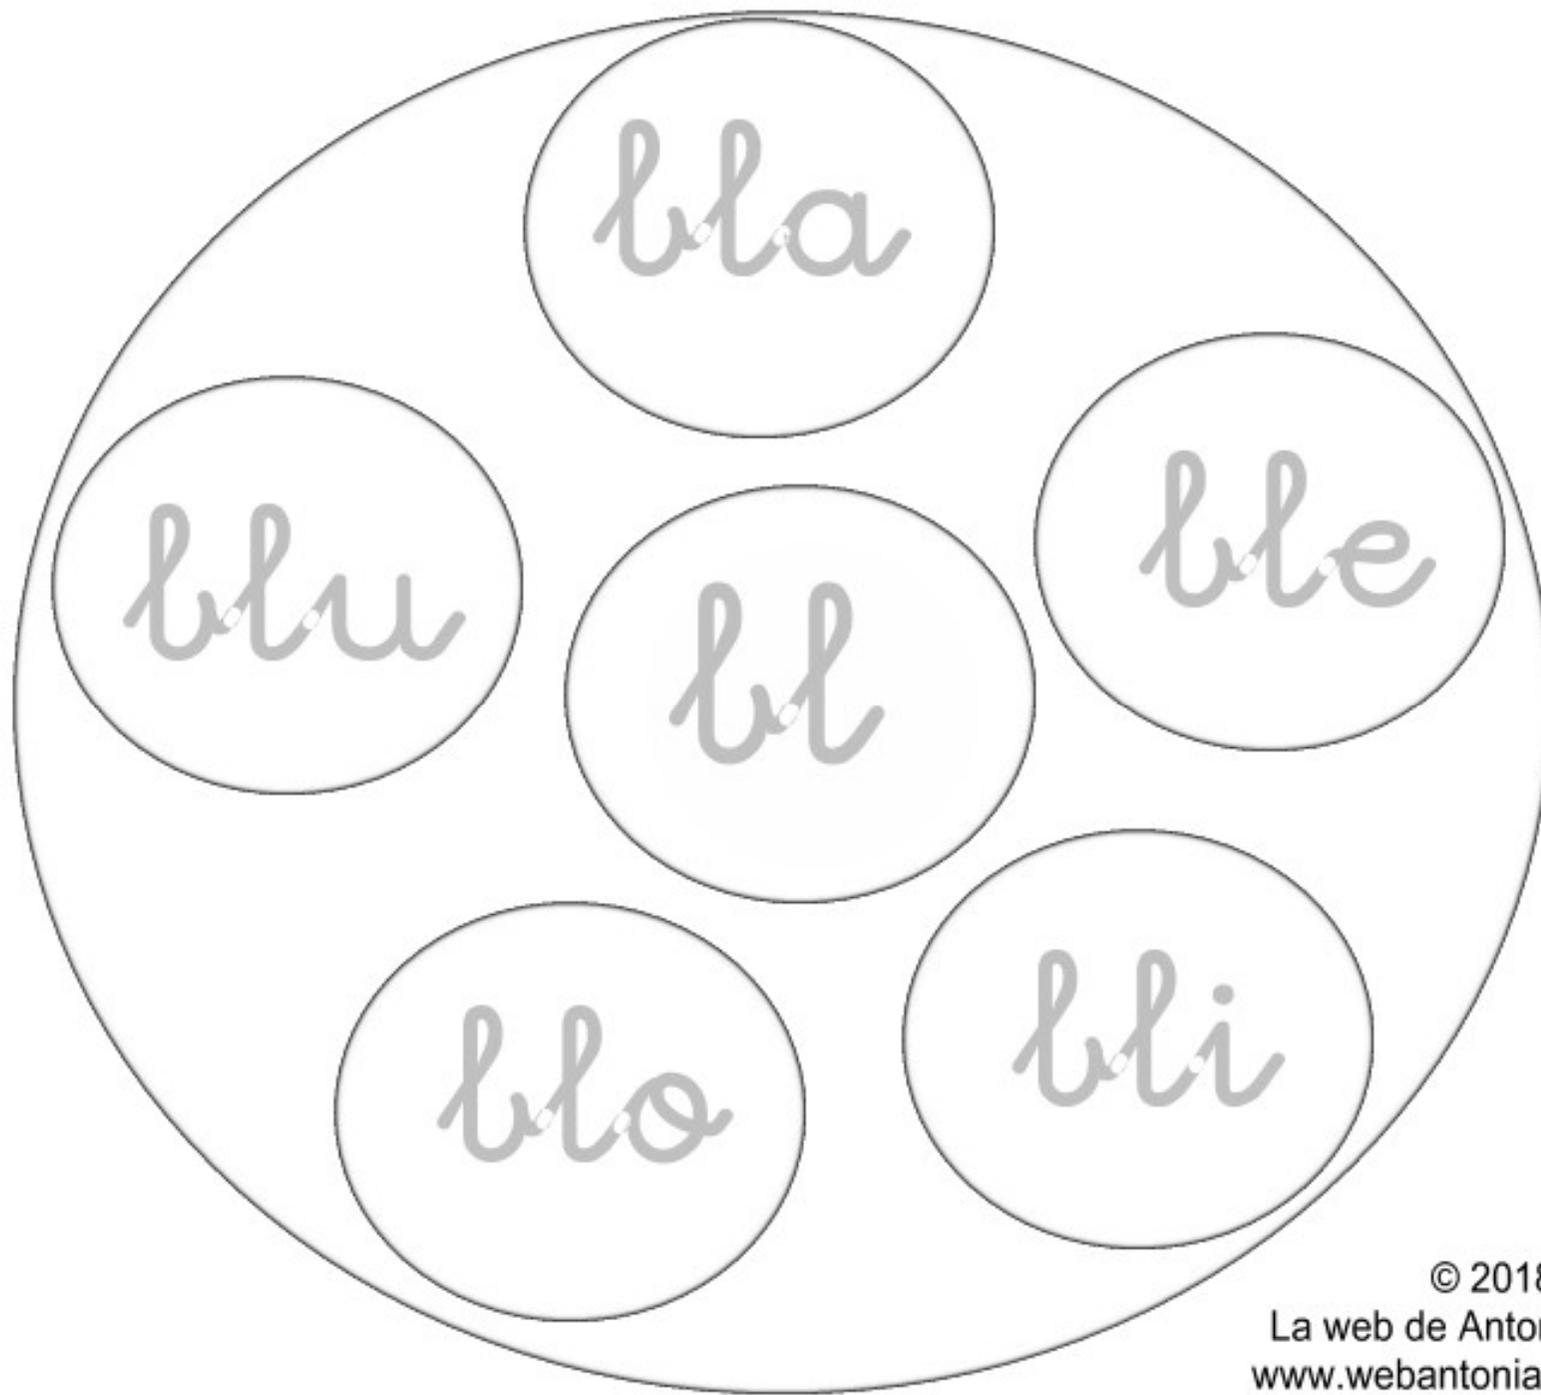

4.- Puede ser un juego colaborativo, podemos plastificar los tazos para que nos sirva para más veces, repartir como si de cartas se tratarán y jugar con ellas agrupándolas en familias de sílabas trabadas.

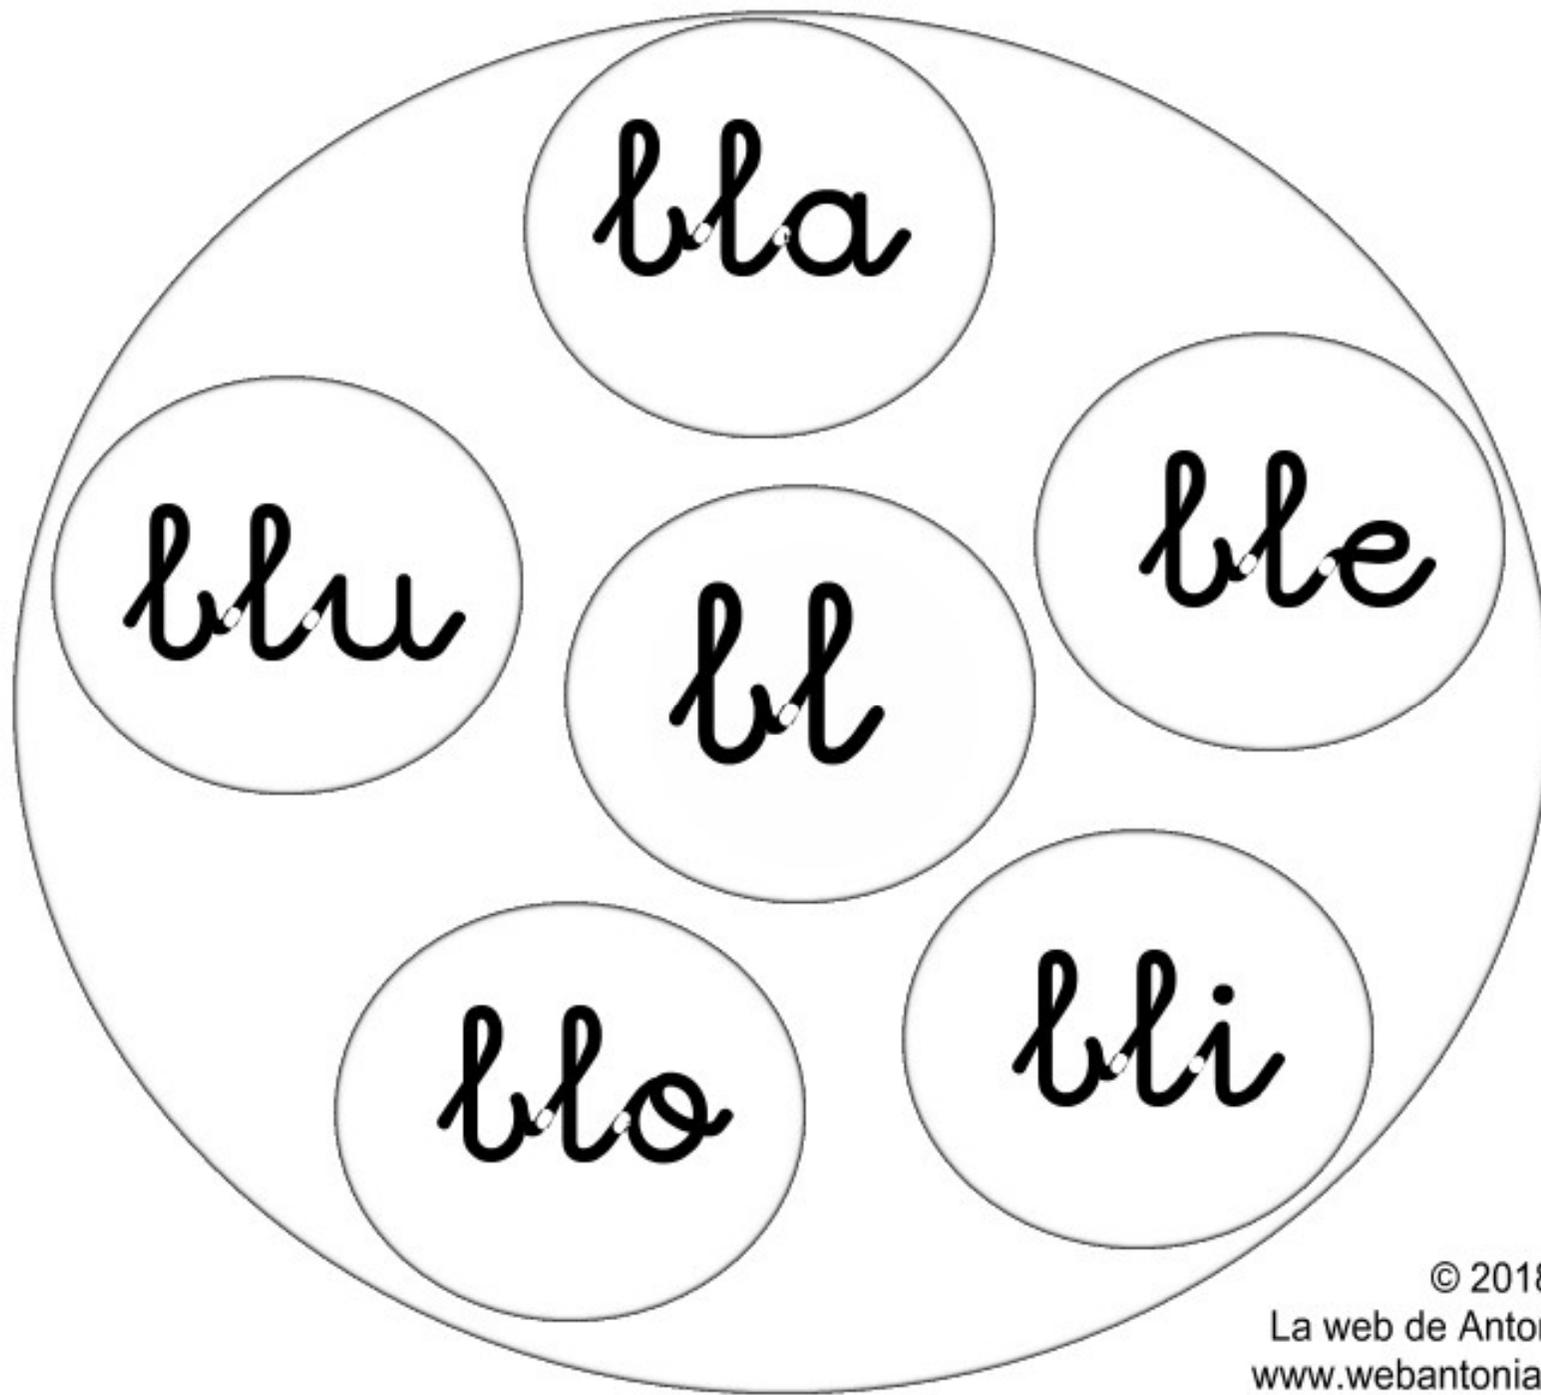

Es un **juego abierto**, en la última hoja del documento **plantilla de los tazos** para que puedan completar sus ruedas con más palabras, o se prefiere no imprimir los tazos de color y completar las ruedas con dibujos y palabras propias.
